

Please take our Interested and Skills Survey

If you have not already done so, please take a few minutes to fill out your interests and skills Survey. This is your opportunity to say how you'd like to support the Unitarian universalist church with your volunteer hours, or sharing a talent. It is also an opportunity to let us know what types of spiritual programs, social action, and fellowship groups you are interested in. You'll be able to check off boxes to show your level of support for the teams/program/event:

- I'll lead
- I'll help plan and design
- I'll be on the team or attend program/event if someone else plans its, or
- I need more information before I decide if it is right for me.

Choose interests that will nurture yourself and choose ways you will be able to nurture others through giving your time and talent to making something happen. Please remember to not overextend yourself with your precious resources of time, talent and treasure.
